

1/2 inch 10 shot group

Distance 75 feet

Ammo...CCI MiniMag...www.cci-ammunition.com

Handgun...Briley Advantage 1911...www.briley.com

Tactical Solution 2211 Conversion...www.tacticalsol.com

OKO Red Dot...www.oktarget.cz (not available in US)

I mounted a Tactical Solution .22 Conversion on my Briley 1911 .45acp handgun with an OKO red dot. Everything functioned flawlessly with CCI MiniMag RN, CCI Blazer, Federal Game Shock RN and Aguila HV 40 Gr. Plated RN. Standard and Low velocity ammo did not have enough energy to operate the slide properly.
